

Assegno unico universale:

what is it and how to get it?

From **1 January 2022** it is possible to **apply** for the ASSEGNO UNICO UNIVERSALE, **effective from March 1st**

- It will be paid monthly to families for each child up to 18 years of age, and up to 21 years if student, unemployed, trainee, and starting from the seventh month of pregnancy of the mother, while there is no age limit in the case of disable children's;
- The Check will replace most economic measures currently provided to support families with dependent children, such as: ANF family unit allowance, Irpef deductions for dependent children, Birth allowance or Baby Bonus, Birth Bonus or Mother Tomorrow Bonus, Family allowance granted by the Municipality or Allowance for the third child
- The single allowance will be paid directly by INPS on the indicated IBAN and family allowances and deductions for dependent children will no longer be recognized in the pay slip

ATTENTION! The amount of the grant will be calculated based on the value of the valid ISEE indicator (year 2022) and with a series of conditions for immigrants, including:

be a European citizen or a family member with the right of residence; citizen of a non-EU state with an EU residence permit or with a single work permit authorized to carry out a work activity for a period of more than 6 months.

TO START THE PROCEDURE FOR OBTAINING THE CHECK, YOU CAN MAKE AN APPOINTMENT FOR THE CALCULATION OF THE ISEE AT OUR CAF TEOREMA DI BOLOGNA

When filling in the ISEE form, the information for forwarding the file will be collected through our Patronato INCA
